Daren please feel free to use this reference at any time.

I have been delighted to work with Daren at St Kilda Boat Sales. The professional way in which he marketed and sold my Riviera made the whole transaction very stress free.

His documentation and paperwork was impeccable.

Darren's attitude to myself and potential purchasers was extremely pleasant at all times.

I have no hesitation in recommending Darren and St Kilda Boat Sales to anyone wanting to purchase or sell a boat.

Kind Regards
