Darren,

Just a short note to thank you and your business partner Andrew for the pleasure I experienced in purchasing my new Reef Runner trailer boat. Your professionalism and quick response to my queries was the difference between me purchasing the Reef Runner from you rather than your competitors. With regard to kitting the boat out, Andrew and his team did a tremendous job and the after sales service has been exemplary. Each time I take the boat out I receive positive comments from other boaters and bystanders on how good she looks and I explain that the performance is even better !!

Yours Truly,

Warren Jennings
